

ZFD_D0X

AUT / WEN / CZ

In cooperation with the ZWMP weather module, the ZFD detector automatically opens the Z-Wave windows upon detecting visible smoke.

Electric parameters

Dimensions

Quiescent voltage DC [V DC]	8 – 32	Width [mm]	109
Quiescent current [μ A]	35	Height [mm]	109
Alarm current [mA]	20	Depth [mm]	49
Operating temperature [°C]	(-25) - (+70)		
Static operating temperature [°C]	(+54) - (+65)		
Housing color	White		
Other			
Automation components	Sensors
